Notes to in-coming students:
1. You may already own many of these tools. In that case, you will need to buy only those items that you do not already own.

2. You are responsible for making sure that you have all of the tools and supplies on this list in your possession by the **first day of class**. If you have questions about some of the tools, please contact one of the instructors.

3. Please do NOT purchase the cheapest tools you can find. Spend a little more money on Sears Craftsman, Snap-On or another quality brand with a lifetime warranty.

Student Tool List:
1. USB to RS-232 (Serial) adapter
2. USB Drive – also known as a Jump Drive or Pen Drive
3. 2 medium padlocks – may be combination or key
4. Anti-static wrist strap
5. Miniature Diagonal Pliers (Wire Cutters), Approx. 5-Inches Long.
7. Full-Sized Screwdriver Set.
   a. #1 and #2 Phillips screwdrivers, 3/16 and ¼-inch slotted screwdrivers.

Suggested Additions:
1. T15 Torx screwdriver
   a. Many computer manufacturers are converting to T15 Torx screwheads in their computers
