

## Associate Degree of Nursing Program Computer Requirements

All ADN students are required to own and bring to class a laptop or tablet that meets the following criteria:

- Windows operating system – Recommended Windows 10
- Battery life of at least 4 hours
- Microsoft Office Suite is **NOT** required; MATC provides this software package to students enrolled in full time programs.

### System Requirements to View Manhattan Tech Courses – ADN Program

In order to view the necessary components of MATC courses, it is vital that the following items be functioning on your computer. Please keep the following information in mind:

- Laptop: Windows 7 or newer - Window 10 recommended
- Tablet: Windows 8 or newer; not Windows RT
- Apple, Android, and Google operating systems are not supported.
- MATC courses are best viewed using Internet Explorer 10 or higher.
- Check with your MATC program regarding specific hardware, software, and app requirements.
- Internet Connection: cable or DSL recommended; accessible and reliable connection
- Pay special attention to the document format required for your submitted assignment. For example, document extensions may include .doc, .docx, .rtf, .xls, etc. MATC is able to access file extensions related to Microsoft Office. The document extension determines if the instructor will be able to access and grade your assignment.

The following items or equivalent may need to be available.

Adobe Reader/PDF Reader, Flash Player, and Shockwave Player	The Adobe Reader only allows viewing of PDF files. Follow this link to Adobe <a href="http://www.adobe.com/downloads/other-downloads.html">http://www.adobe.com/downloads/other-downloads.html</a> Explore for the 3 downloads: Adobe Reader, Adobe Flash Player, and Adobe Shockwave Player
